- d. Surface drainage easements and common areas used for drainage purposes as shown on the plat are intended for either periodic or occasional use as conductors for the flow of surface water run-off to a suitable outlet, and the land surface shall be constructed and maintained so as to achieve this intention. Such easements shall be maintained in an unobstructed condition and the City of Huntington or a proper public authority having jurisdiction over storm drainage shall have the right to determine if any obstruction exists and to repair and maintain, or to require such repair and maintenance as shall be reasonably necessary to keep the conductors unobstructed. The Association shall be obligated to maintain, repair and/or replace, if necessary, the surface water drainage system and the storm water retention system consisting of the storm water retention basin, together with its outlet and water level control structures, as filed with the City of Huntington, Indiana, Planning Commission in conjunction with this subdivision, approval of which has been granted for the use and benefit of any section of this subdivision, and of future sections of Carlisle Crossing, the cost of which shall be borne by all of the owners and subsequent owners of lots in any and all of the sections of Carlisle Crossing.

The owner of any lot in this section, or any future section of Carlisle Crossing and/or the City of Huntington, or its successor agency, shall have the right to order the Association to carry out its obligation to maintain, repair and/or replace the storm water drainage system and storm water retention system improvements, as above provided, and to assess the owners of all lots in this section and future sections of Carlisle Crossing with the cost thereof.

7. SIDEWALKS: Plans and specifications on file with the City of Huntington Plan Commission require the installation of concrete sidewalks within the street rights-of-way in front of Lots 1 thru 166. Installation of sidewalks shall be the obligation of the owner of any such lot, and shall be completed in accordance with plans and specifications prior to the issuance of a Certificate of Occupancy for any such lot. The cost of installation shall be a lien against any such lot enforceable by the City of Huntington Plan Commission or its successor agency, subject to temporary approval due to extenuating circumstances. Should such Certificates of Occupancy be issued to the Developer, said individual or corporation shall be considered an owner for the purposes of the enforcement of this covenant.
8. COMMUNITY ASSOCIATION: There has been incorporated the Carlisle Crossing Community Association, Inc., a not-for-profit association, which shall be recognized and approved as the only association of the Subdivision.
 - a. Membership: Every owner of a lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment.

 - c. Membership Transfer: Memberships will transfer from the Developer to his grantee upon delivery of the deed.
 - d. Continuing Membership: The purchaser of any lot or living unit in the Addition shall be a member of said Association and shall continue to be a member of said Association so long as he continues to be the owner of a lot or living unit in the Addition for the purposes herein mentioned. Membership shall pass with the ownership of the land or living unit.
 - e. Transfer of Membership Rights and Privileges to Lessee: Each Owner, or in lieu thereof each Lessee of a living unit (with the written consent of such Owner to the Association), shall be a member of the Association and have the right to the Owner's vote and privileges. Membership, where assigned to a Lessee, will pass with the lease except if the owner withdraws his membership assignment to the Lessee at his discretion by a sixty (60) day notice in writing to the Association.
9. ASSESSMENTS: Each Owner of any lot or living unit, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or conveyance, shall be deemed to

covenant and agree to pay to the Association an annual Assessment to be used for two purposes as hereinafter provided.

- a. Operating Fund: The "Operating Fund" assessment shall be used exclusively for the purpose of promoting the recreation, health and safety of residents of the Addition and in particular, for the improvement and maintenance of the lakes, surface drainage system, playgrounds, and all other Common Areas, including but not limited to, repair, maintenance, the cost of labor, equipment and materials, supervision, security, lighting, lawn care, snow removal, insurance, taxes, and all other things necessary or desirable in the opinion of the majority Members of the Association in connection therewith.

The Maintenance fund shall be retained. The final balance is to be equal to the annual assessment of all lots. Disbursements from the Maintenance fund shall be replenished through budgeted funding and/or special assessments as deemed appropriate by the Board. It shall be used only for major repairs to the infrastructure such as repair of the dam, repair of damage to the storm sewer system or other major repairs.

The Assessment as herein provided shall commence to accrue and become a lien upon any said lots or living units as soon as title thereto has been divested from Developer, or when a dwelling or living unit shall be erected thereon, whichever shall first occur, and shall be payable on the first day of January of each year thereafter. All assessment shall be determined by and paid to the Association, and the Association shall be responsible for carrying out the purposes of such assessments.

The amount of said Assessment shall be established as follows:

- (i). The annual Assessment for the calendar year starting January 1, 2018, shall be One Hundred Fifty and 00/100 Dollars (\$150.00) per assessable membership. The annual assessment may not be increased by more than ten percent (10%) from the previous year without a vote as required by subsection (iv) below.
- (ii). For each year thereafter, the Board of Directors of the Association shall establish a budget for such calendar year and shall determine the annual membership Assessment required to meet said budget. Such budget and assessment for each such calendar year shall be established by the Board of Directors at a meeting to be held not later than October 31st of each preceding calendar year. The Board of Directors shall then distribute to all Association members a copy of said budget and notice of the ensuing year's assessment not later than November 15th of the year prior to the year to which the Assessment is applicable.

(iii). The amount of the Assessment set by the Board of Directors for any such calendar year may be changed by the members of the Association at a meeting duly called for that purpose as hereinafter provided. The President or Secretary of the Association shall call a meeting of the membership of the Association, to be held prior to December 31st of the year prior to the year to which the assessment is applicable, upon receipt, prior to November 30th, of a written petition for assessment review bearing the signatures of at least ten (10%) percent of the memberships of the Association. The President or Secretary of the Association shall give at least fifteen (15) days written notice of such meeting to all members.

(iv). Any change resulting from a petition in the amount of the assessment set by the Board of Directors must have the assent of two-thirds (2/3) of the memberships of the Association who are voting in person or by proxy at a meeting duly called for such purpose. At any meeting, a quorum of not less than fifty percent (50%) of all membership shall be required.

b. Collection: Such Assessment, together with interest thereon and costs of collection as hereafter provided shall be a lien upon the property against which each assessment is made. Each such assessment, together with interest thereon and costs of collection, shall also be the personal obligation of the person or persons who was the owner of such property at the time when the assessment fell due. The obligation of the assessment is upon the owner of the property or the living unit and is not transferred, even though the owner may have transferred the membership and voting rights in the Association, as hereinbefore provided. If the assessments are not paid on the due date, then such assessments shall be a continuing lien on the property which shall bind such property in the hands of the then owner, his heirs, devisees, personal representatives and assigns. However, the personal obligation of the then owner to pay such assessment shall remain a personal obligation and shall not pass to his successors in title unless expressly assumed by them. If the assessment is not paid within sixty (60) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action against the owner personally obligated to pay the same, or foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing such action, including a reasonable attorney's fee. The lien of the assessments as provided for herein shall be subordinated to the lien of any mortgage or mortgages now or hereafter placed upon the property, taxes and assessments for public improvements.

10. DURATION AND ALTERATION: These protective covenants, restrictions and limitations shall be construed as, and shall be covenants running with the land and shall be binding upon all Owners and Lessees of land in said Addition and all persons claiming under them.

They shall continue in existence for a period of fifty (50) years from the date of the recording hereof and thereafter shall be automatically extended for successive periods of ten (10) years each.

The protective covenants, restrictions and limitations (but not the easements) may be

changed, abolished or altered in part by written instrument signed by the owners of not less than seventy-five (75%) percent of the memberships of the Association. All said amendments, changes, or alterations, however, shall have the prior approval of the City of Huntington Planning Commission or its successors.

11. WAIVER: The failure of either the Association or an owner to enforce any covenant contained herein or right arising from any covenant contained herein shall in no case be deemed a waiver of that right or covenant.
12. SEVERABILITY: Invalidation of anyone of these provisions shall in no way affect any of the other provisions which shall remain in full force and effect.
13. ENFORCEMENT: The Association, Developer, the City of Huntington, Indiana, Plan Commission, or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these covenants and restrictions. In the event that the Association, Developer or any Owner seeking to enforce the Protective Restrictions prevails in any proceeding, whether at law or in equity, such party shall be entitled to recover from the party against whom the action is brought the reasonable attorney's fees and related costs and expenses incurred in such proceeding.

The undersigned having verified the requisite number of votes to amend the Protective Restrictions and a copy of the record of the requisite votes of the Owners is attached hereto as Exhibit "A" and is made apart hereof by reference.

IN WITNESS WHEREOF, the Developer and the undersigned do hereby execute these Amended and Restated Protective Restrictions for and on behalf of the Owners in the Carlisle Crossing Subdivision on the date written below.
